Members of the Judiciary Committee,

Please vote to oppose SB,16 and HB5416, there is no reason to enact new laws, when enforcement of existing laws would suffice.

Law abiding citizens would be unfairly punished, instead of violators of current laws.

Please vote in support of Raised Bills S.B. No. 388, H.B. No. 5412, and H.B, No.5415

Thank you,
